9.1 Do you make payments directly to home energy suppliers?		
Heating • Yes O No		
Cooling Yes O No		
Crisis • Yes O No		
Are there exceptions? C Yes O No		
If yes, Describe.		
9.2 How do you notify the client of the amount of assistance paid?		
Clients are notified within thre business days of submitting a completed application via telephone. Once payment has been made, clients are notified by letter with a copy of the check attached.		
9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?		
1. Client submits a billing statement with account number and balance due. DHHS Central Intake Center contacts energy vendor and verifies balance. Notes are enetered into DHHS MAISE client database system.		
2. Client is informed of required educational class and class is scheduled.		
3. Energy supplier is sent letter of guarantee of payment and the amount to be paid by fax.		
4. Vendors agree to hold account and avoid disconnection until payment has been recieved.		
Due to a variety of issues and unique circumstances, SRPMIC has chosen not to enter into possible limited vendor agreements with energy suppliers. The community has and continues to maintain a positive relationship with energy suppliers to prevent endangerment to the health, safety, and general welfare of community members.		
9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?		
It is the policy of the Salt River Pima Maricopa Indian Community to protect LIHEAP client information in adherence with the Health Insurance Portability and Accountability Act. Payments made to energy vendors are not an indication that LIHEAP benefits have been provided. Checks are issued from the SRPMIC Finance Department with no identifying information. The SRPMIC LIHEAP Program only includes account information as needed to make payment for the amount indicated on a check.		
Additionally, the SRPMIC LIHEAP program meets with energy vendors through various stakeholder meetings throughout the year such as Salt River Project. Salt River Project does not discriminate against individuals applying for any type of assistance. Contrary to discrimination, Salt River Project has instituted several programs to help meet the needs of clients in need such as reduced rate plans, low income discounts, and guarantee agreements with organizations to hold accounts for customers who may need LIHEAP assistance. SRPMIC acts a liaison between the vendors and LIHEAP clients to ensure timely and fair resolution of account and billing needs.		
9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households? Or Yes No		
If so, describe the measures unregulated vendors may take.

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.
