LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

1. a. Exercise effective oversight of program operations and accountability for Federal funds;

The Quinault Indian Nation has operated and managed grants and contracts successfully for more than thirty years and currently operates with an annual total budget in excess of twenty eight million dollars. The Quinault Nation has adopted an accounting process and procedures that conform to generally accepted accounting principles. Our accounting practices have been certified by auditors and are adequate for the management of grants and contracts. Standard operations include the segregation of duties, internally auditing and the full time employment of a Compliance Officer. We have also adopted a Procurement and Property Management Manual that complies with OMB Circulars A-102 (Common Rules) and A-87 (Cost Principles) requirements for purchasing and management of capital/no-capital equipment and other property. We are also in conformance with 25 CFR Part 900 and all other funding agency compliance regulations including the following: Civil Rights Compliance, Confidentiality and Human Subjects Protections regulations, Anti-Lobbying Act, Financial and Governmental Audit, Requirements, National Environmental Policy Act compliance, DOJ Information Technology Standards, Single Point of Contact Review, Non-Supplanting of State or Local Funds and Criminal Penalty for False Statements.

The Quinault Indian Nation is sovereign, self governance Indian Tribe and is therefore responsible to prudently manage and self direct the fiduciary trust responsibilities of its people. The scope of services currently compacted and contracted with the Federal Government is broad and comprehensive.

The Nation's internal controls administered by its Grants and Contracts Department and the LIHEAP Program Manager will sufficiently allow the Nation to manage this operation contract.

Receipt and Disbursement of Grant Funds: The Quinault Indian Nation has two internal control systems in place to assure the responsible administration of grant funding. These systems include 1) a Grants Compliance Officer and 2) Oversight Hearings. The Grants Compliance Officer works through the Office of Grants & Contracts and reviews programmatic compliance on a quarterly basis. In addition, all Nation programs are subject to periodic random audit to assure the utmost integrity in funding disbursement and compliance. Also, the Nation maintains a quarterly Oversight Hearing performed by the Quinault Business Committee. These hearings review the fiscal and performance capabilities of all programs. These meetings provide tribal members with an accountability mechanism for the use and usefulness of funding. Recommendations from the Oversight Hearings are forwarded to 1) the Tribal Operations Director for performance revisions and 2) the Budget Committee for fiscal oversight.

Financial Reporting: The Quinault Indian Nation requires quarterly reporting of all monies spent per program, department, project and division, to include both expenditures and unobligated balances of budgets per award. This function is facilitated through the Nation's Finance Department with reporting copied to the Office of Grants & Contracts where the Nation's Grants Compliance Officer reviews the financial transactions for compliance with Federal rules and regulations.

Programmatic Reporting: The Nation understands that periodic progress reports are required to inform the funding agency of the status of this program. This reporting is administrated through the Office of Grants & Contracts, who also serves as the point of contact on this program for all fiscal management and reporting functions. As a matter of policy, all departmental programs are required to submit quarterly and annual reports for Oversight Hearings. This process is facilitated through the Chief Financial Officer.

The current tribal administration is as follows: Chairman: Fawn Sharp, Vice chairman: Tyson Johnston, Treasurer: Larry Ralston, Secretary: Latosha Underwood, 1st councilmen: Gina James, 2nd councilmen: James Sellers, 3rd councilmen: VACANT at this time,4th councilmen: Aliza Brown, 5th councilmen: Dawneen Delecruz,6th councilmen: Clarinda "Pies" Underwood, 7th councilmen: Roland Mason.
