Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

As with other federal programs administred by SRPMIC, LIHEAP will be subject to the "Generally Accepted Accounting Principles" in the United States as applied to government units. The Community's financial records are audited on an annual basis and its general fund budget is prepared in accordance with the established Tribal Budget Procedures Ordinance. SRPMIC uses Oracle Peoplesoft Enterprise Financial Management System, which includes General Ledger, Accounts Payable, Accounts Receivable, Billing, Contracts, Project Costing, Asset Management, Budgeting, Grants Management, Cash Management, Business Planning, and Financial Portal Pack. These fiscal controls and accounting procedures ensure prudent use, proper and timely disbursement and accurate accounting of all Federal funds received by the community.

- -Vendor refunds are rare if any, as payments for utility costs are made directly to the utility company or home improvement store.

 Payments for utilities are verified before payment is requested via company check or credit card. Payments for home improvements(water heater) are made via credit card to the vendor and if a refund is due, the credit card is credited.
- Each components (crisis, heating, weatherization, etc.) has their own line item and monthly reports from the Tribal Finance Department are send to the grantee manager to track spending and availability of funding for each component.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions.
